FLOWER ARRANGING WORKSHOP

TABLE CENTRES – WORKING WITH OASIS

We are delighted to be working again with Sam Haslinger, experienced local florist. This workshop is about making a table centre, following a naturalistic style as the pictures show. This is an Oasis arrangement. Learn new techniques to make your work stand out from the crowd and how to keep it fresh.

Tap into your creative side to create a unique table centre to use for any occasion and impress your friends and family!

All materials are supplied. The arrangement is yours to take home. No experience necessary, just enthusiasm!

WEDNESDAY 30th June 2021. 10.30am-2pm. COST per ADULT: £55.
